

~~SECRET~~HEADQUARTERS  
EXTERNAL SURVEY DETACHMENT 44  
UNITED STATES NAVY

26 February 1948

SUBJECT: Medical Section, Monthly Report for Period 26 January 1948 to 25 February 1948, inclusive.

TO: Chief of Mission, External Survey Detachment 44,  
U.S. Navy 3930, c/o FPO, San Francisco.

1. There have been 680 consultations in the Dispensary.
2. Number of days spent in hospital . . . . . 0
3. Number of days spent in quarters . . . . . 40
4. Number of calls made on patients in quarters, etc. 63
5. Number of complete physicals given . . . . . 4
6. Number of V.D. Cases . . . . . 0

7. A V.D. lecture is given by the Surgeon to all enlisted personnel of the organization at the same time as the periodic physical.

8. Apart from the routine medical problems of this organization, nothing unusual is being reported. The general health of this command has been maintained at a satisfactory level.

9. Captain Howard Olson's wife presented him with a fine baby girl after a routine confinement. Mother and child doing nicely.

10. With warm weather just around the corner, Medical Department is again considering measures for pest and insecticide control. We hope to be able to receive the very generous and faithful support which was rendered in the last two summers by the Army Preventive Medicine Department. Our own stocks of insecticide for personal application is adequate to meet normal demands of this command.

ROSS JUNG, Major M.C.  
Surgeon.
